Water Damage Tip

What are your New Year's resolutions for your home? Now is a good time to perform inspections of sink and tub faucets, as well as hoses leading to

water heaters, dishwashers, washing machines and ice makers in your refrigerator. Check them annually for any leaks or cracks and have them repaired or replaced to prevent water damage!

Employee Spotlight

Meet Taylor! He is part of Flood Pro's Customer Service department, and has been in the emergency services industry for 6 years. In his spare time, he enjoys bow hunting, fishing, backpacking and working on cars.

We appreciate Taylor for taking such great care of our customers!
