# Happy St. Patrick's Day!

We're so lucky to have customers like you!

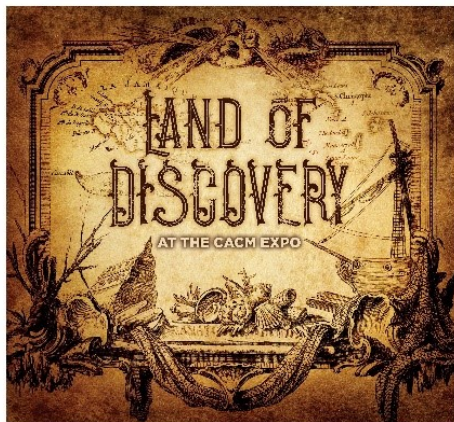

## Water Damage Tip: Mold!

The EPA states that mold can grow within 48 hours! Dark, damp environments also contribute to growth. With all of the recent rain, it is important to address water damage and mold issues as soon as possible, before the problem spreads.

## Upcoming Events: CACM Expo

Disneyland Hotel Convention Center  
Anaheim, California  
March 14-15, 2019

Flood Pro will be exhibiting at CACM's 2019 Southern California Law Seminar & Expo. Stop by and see us at Booth #113 in the "Land of Discovery" Exhibit Hall! This is a great event for the community management industry!
